HOW TO USE THE SERVICE

ALL TELEPHONE SERVICE on the Campus, with the exception of the Hospital and the Residence Halls, is furnished through a dial Private Branch Exchange located in the Illini Union Building. The University telephone number is 7-6611, and calls from the outside to the University are made by calling 7-6611.

SERVICES AVAILABLE

TWO CLASSES of service are available as follows:

"Regular" Service — From a telephone arranged for "Regular" service, the user may dial any telephone on the Campus and make calls to and receive calls from the outside. Dial number plate cards on "Regular" telephones are WHITE.

"Campus" Service — From a telephone arranged for "Campus" service, the user may dial any telephone on the Campus but can not make calls to, or receive calls from, the outside. Dial number plate cards on "Campus" telephones are RED.

"REGULAR" SERVICE

WHEN A CALL from the outside is received at the University switchboard, our operator answers "University" and then completes the connection to the number, person, department, or function which is asked for. It will be helpful to our operators, and improve your service, if you acquaint those who call you with your extension number so that they may ask for it directly. This will save their time and reduce the number of trunk lines needed since, if the extension number is known, no time need be lost while the operator is looking it up.

To make a call to the outside, from telephones arranged for outside service, dial "9." When dial tone is received after dialing "9," proceed to dial the number you wish.

Where a number appears in the directory preceded by the letter "B" as for example, B7-3211, it means that it is a Bell telephone connected to the Bell central office. To call such a number dial "9" followed, after dial tone has been received, by dialing the number, 7-3211, to use the example.

TRANSFERRING A CALL TO ANOTHER TELEPHONE

INCOMING CALLS from Champaign-Urbana or from Long Distance may be transferred from one telephone to another.

To transfer a call from your extension to another extension signal the operator by slowly depressing and releasing the button in the cradle in which the hand-set normally rests. This operation, when done slowly, will flash a lamp in front of the operator. When she acknowledges the flash by saying "Operator" say, "Please transfer to Extension....." giving the extension number to which you wish the call transferred.

Calls made from University telephones by dialing can not be transferred. The party calling must hang up and then call the desired extension.

Operators are in attendance at the switchboard twenty-four hours a day. In other words, every telephone user has all his service available at any hour.

LONG DISTANCE CALLS

TO MAKE a Long Distance call, dial "Operator" and give her your name and extension number. She will then connect you with "Long Distance."

"CAMPUS" SERVICE

CALLS TO TELEPHONES on the Campus are made by dialing the number as it appears in this directory. Be sure to wait for dial tone. Telephones off-Campus can not be reached from "Campus" telephones.

The telephone numbers of Campus lines begin with 7 or 8.

Some "campus" telephones are on two-party lines. To call the other party on a two-party line pick up the hand-set and after hearing dial tone dial "0" and replace the hand-set. Your bell will ring until the other party answers. When he does answer your bell will stop ringing. When this happens take up your hand-set and talk. If he does not answer, stop your bell from ringing by picking up your hand-set and then replacing it.

TROUBLE

REPORT TROUBLE with your telephone to the Chief Operator by dialing 2511. Report trouble with push buttons or buzzers to the Routing office by dialing 311.

ORDERING CHANGES OR ADDITIONS TO YOUR TELEPHONE SERVICE

WHEN CHANGES in, or additions to, your telephone service are desired, please telephone the Chief Operator by dialing 2511. She will arrange to have a Service Engineer from the Telephone Company call on you promptly. You will then issue a requisition to the Purchasing Department which will send a purchase order to the Telephone Company. Anticipation of any changes in telephone service as far in advance as possible will be helpful.

NOTE: Since we lease telephone equipment on the basis that after it has been in service for 30 days it may be ordered out and billing will stop, it is important that service be removed promptly when it is no longer needed.

GOOD SERVICE
DEPENDS UPON EACH DEPARTMENT

Please Keep the Chief Operator Informed of Staff Additions, Deletions, and Changes in Telephone Numbers

STUDENT DIRECTORY

Departments in Urbana-Champaign

EXPLANATION OF LISTING

The following list includes all students registered in the Urbana-Champaign departments of the University of Illinois on October 20, 1948. Each student's entry usually shows the college in which he is enrolled and semester hours earned, his local address and phone number, and his home address.

College and Credits

In parenthesis immediately after the student's name are shown the college or school in which the student is enrolled and, except for the Graduate College and the Library School, the number of semester hours earned. Hours shown for law students are those earned in the College of Law, not the total hours.

Unclassified students (not candidates for degrees) are indicated by "unc"; irregular students (holding degrees but registered for undergraduate work), by "irr"; transfer students whose credits have not yet been determined, by "tr." Names of the colleges and schools are abbreviated as follows:

agr.....College of Agriculture
com.....College of Commerce
ed.....College of Education
eng.....College of Engineering
faa.....College of Fine and Applied Arts
grad.....Graduate College
jnl.....School of Journalism
las.....College of Liberal Arts and Sciences
law.....College of Law
lib.....Library School
pe.....School of Physical Education
swv.....Division of Special Services for War Veterans
vm.....College of Veterinary Medicine

Local Address and Phone

Numbers following addresses in Champaign (C.) and Urbana (U.) are Bell telephone numbers. Where no Urbana-Champaign address is given for a student, it may be because he is living in a nearby community and commuting to the campus; if a graduate student, he may be doing work in absentia; or, finally, the student may not have had a permanent local address at registration time.

Streets in Urbana-Champaign that are named after states are abbreviated throughout the student list. Other street abbreviations, as shown below, are used occasionally:

Arm.....Armory
Chalm.....Chalmers
Dan.....Daniel
Good.....Goodwin
Greg.....Gregory
Grn.....Green
Linc.....Lincoln
Math.....Mathews
Orch.....Orchard
Sprfld.....Springfield
Sto.....Stoughton
Univ.....University

Home Address

A dash separates the local address from the home address which follows. Where the name of the state is not given in the home address, it is understood to be Illinois except for such cities as St. Louis, Indianapolis, Terre Haute, Des Moines, Niagara Falls, Salt Lake City, and Los Angeles, where the names of the states are omitted to save space.
